

REFERRAL PARTNER PROGRAM

Send us the technology work. Earn 10% on every project that closes.

For builders, remodelers, architects, designers, real estate agents and property managers in Central and North Jersey. You refer the client; we handle the low-voltage, AV, Wi-Fi and smart-home scope; you get a referral fee on every project.

01

You refer

A name and number, or a set of plans. Text, email or the form at trekteknj.com/partners. Same-day reply.

02

We quote and install

Site walk, written quote with brands and quantities, coordination with your electrician or GC, most installs done in 1-3 days.

03

You get paid

10% of the project total, by check or ACH, within 15 days of the client's final payment. No cap, no minimum.

What we handle

- Pre-wire and structured cabling (Cat6, racks, labeled and documented)
- Wi-Fi with no dead zones — homes, offices, clubhouses
- TV mounting with hidden wires, home theater, whole-home and outdoor audio
- Smart lighting, shades and automation (Lutron, Savant, Control4)
- Conference rooms, office networks, managed IT
- Cameras and video doorbells as part of a larger project

Why partners send us work

- Owner on every job, 4.9 stars on Google (65 reviews)
- We show up when the electrician does and stay off their scope
- No visible wire, no surface-mount shortcuts
- We never market other services to your client
- As-builts and documentation included
- Somerset, Middlesex, Morris, Hunterdon, Union, Mercer, Monmouth, Essex, Passaic

10%

Referral fee on every closed project. Paid within 15 days of the client's final payment, with a short statement each time. Sign up in two minutes at trekteknj.com/partners or call Paul directly.
